

BOSTON/NEW ENGLAND CHAPTER

SCHOLARSHIP APPLICATION

The National Academy of Television Arts and Sciences (NATAS) is a non-profit professional association dedicated to the advancement of television.

The Boston NE NATAS Scholarship Foundation, Inc. will award a \$2,500 scholarship to a high school senior (and resident of New England) that intends on declaring their major in the television field or a related field and will be attending a four year undergraduate college or university.

This form may be duplicated for use by other applicants.

1. Creative work: List any communication-oriented projects in which you have been involved in that produced one or more specific products. These products might include: video tapes for cable access channels, motion picture films, photographic portfolios, written articles, or essays, musical compositions or arrangements, graphic displays, or any other creative work. List awards/honors that relate to your creative work.

product	your involvement or role	location/year
---------	--------------------------	---------------

(If additional space is needed, use a separate sheet of paper and attach it to this form.)

2. Field and work experiences: List internships, field experiences, job experiences and/or community service in which you have participated that relate to the broadcast communication fields.

activity	paid or unpaid	location/year

3. School activities: List all activities and/or organizations in which you participated in during high school and college. Include any offices you held, school-related honors you received, and any other information your consider relevant.

activity	year

(If additional space is needed, use a separate sheet of paper and attach it to this form.)

4. Indicate your current grade point average based on your last completed semester.

_____ G.P.A. (If not on a 4-point scale, please explain.)

5. Career aspirations essay. On a separate sheet of paper, prepare a single-page, single spaced essay that describes what you would like to do upon graduation. Indicate the kinds of employment you hope to obtain once you complete your college education.

6. Creative essay. Prepare an additional essay of no more than two pages, single spaced that deals with a challenge or a change you believe the American television industry must face in the year 2020. In your essay, indicate how you believe the television of the next century will differ from the television of today.
